

# HR's Role in Times of Uncertainty

HK Koo  
Country HR Head, GSK Korea

# We are a **science-led global healthcare company.**

We have **three world-leading businesses** that research, develop and manufacture **innovative** pharmaceutical medicines, vaccines and consumer healthcare products.

We are committed to **widening access** to our products, so more people can benefit, no matter where they live in the world or what they can afford to pay.

# Our 300 innovation legacy

More than 30 years on, **Augmentin** continues to be used as an effective antibiotic.

45 years of investment in **respiratory research** – from **Ventolin** to **Nucala**.

The first **rubella vaccine** and the first **recombinant Hep B vaccine**.

**Flonase Allergy Relief** – the **number 1 over-the counter (OTC) launch** in the US in 2015.

The first medicine to transform the treatment of **HIV**.

Tackling **polio** with UNICEF/ the Global Polio Eradication Initiative by providing over 16bn doses of oral polio vaccine.

**Five Nobel Prize winning scientists** have worked for GSK.

The **world's first malaria vaccine** candidate to receive a positive regulatory review.
