

# AMCHAM Human Resources Workshop 2018

## *HR's Role in the Digital Era*

April 12, 2018

**David Choi**  
**People Partner**  
**WeWork Korea**

**wework**

My specialties are global HR, labor laws of various nations, high volume recruitment, contract negotiation, employee relations, and staff training.

WeWork has been expanding rapidly in the Korean market and the number of employees has doubled since I joined WeWork in December 2017.

It is my duty and great pleasure to make WeWork a leading company as well as one of the best places to work.
