

Sung Uk Park is a partner in the corporate and finance group at Yulchon LLC, one of the largest law firm in Korea. In addition, he currently sits on the board of numerous start-ups and is also an advisor at Bether Capital, which focuses on investment linked immigration solutions.

Sung Uk was previously Executive Vice President at SK on, a global EV battery company, where he was responsible for joint ventures, M&A and corporate investments. Prior to joining SK on, he was a partner at Yoon & Yang LLC and Kim & Chang, two preeminent law firms in Korea. Prior to joining Kim & Chang, he worked at New York and Hong Kong offices of A&O Shearman, and the New York office of Schulte Roth & Zabel LLP.

Sung Uk has extensive experience in M&A, private equity and leverage buyouts, distressed investments and general corporate representations, both as an attorney and commercial lead. He has advised numerous corporate and private equity buyers and sellers in a wide range of industries, including automotive, entertainment, digital games and healthcare. Sung Uk has been actively involved in many high profile transactions, within and outside Korea, including those in connection with acquisition of an automotive parts company, a non-profit hospital and a digital games company.

Sung Uk received his J.D. from Harvard Law School in 2000 and A.B. in economics and history from Brown University in 1996. He is admitted to New York Bar.
