

SANDRA PARK

Chief Representative Korea

Sandra was appointed Chief Representative Korea in April 2020

Prior to starting at Woodside Sandra had a career with Samsung Heavy Industries for more than a decade.

Sandra has extensive commercial experience spanning business development, marketing and commercial contract engineering.

Throughout her career she has worked on globally significant oil and gas projects across multiple countries including Australia, Indonesia and Mozambique. Sandra's international experience includes playing a key role in the establishment of Samsung's Mozambique and Nigerian entities.

Sandra studied at Ewha Woman's University where she completed a Master of Language (Korean English Bidirectional Interpretation) and a Bachelor of Science in Statistics.
