Biography

Chul Ho Kim is a partner at Yoon & Yang LLC, and his main practice area is antitrust law. He has handled many high profile cases and has provided legal advice to prominent multinational companies, such as Qualcomm, Nike, and Bosch. His clients include some of Korea's most well-known companies, including SK, LS, POSCO, and E-land. Kim's antitrust expertise covers all areas of the field, including cartels, abuse of dominance, unfair trade practices, and business combinations. He also has specialized knowledge and experience in the pharmaceutical and communications fields. His clients have included MSD, Sanofi-aventis, Yuhan, LG Uplus, and DLive. Kim was a visiting scholar at the University of Washington, School of Law.
