

Senior Team Member Appointment

Ricky (Sangrok) Kim to lead expansion in Korea

Ricky(Sangrok) Kim

Country Head Representative, Korea

Ricky has been appointed as Country Head Representative in Korea and is tasked to lead Glenfarne's expansion in Korea.

Ricky had served in KEPCO and East West Power(One of the Gencos of KEPCO) for more than 16 years with various positions for power project developments in most of the Asian countries. In EWP, he successfully entered the US power market and Latin America power market for the first time among Korean power companies. Ricky joined ACWA Power in Dubai, UAE as a director in charge of Asia and some of African countries. Ricky expanded ACWA Power's presence to Vietnam for the first time by developing renewable and conventional projects. Ricky was one of the first Korean developers who took an executive position in a major foreign power development company.

Prior to joining Glenfarne, Ricky served as a president and CEO of Taekwang Power Holdings in Korea developing power projects in Vietnam and other Asian countries.
